

## E85 fuel availability in California, circa 2006

**One E85 station in all of CA (Pearson Fuels)**

## Ethanol Fueling Station Locations

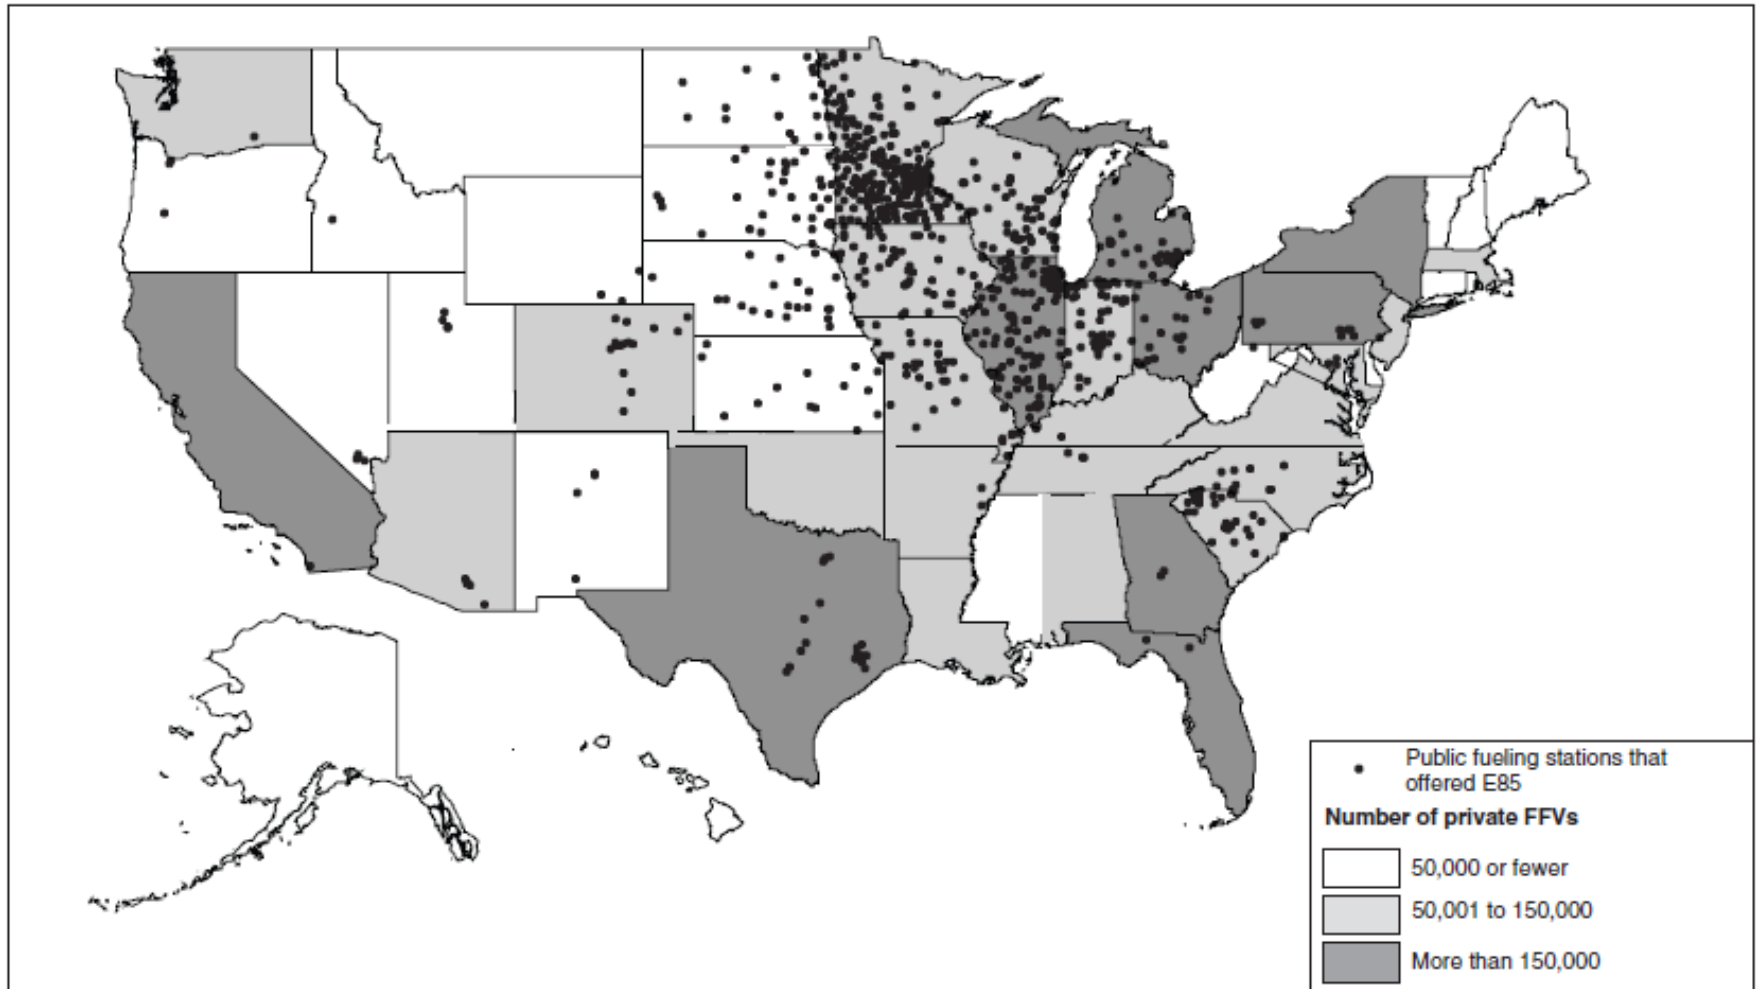

Find ethanol (E85) fueling stations near an address or ZIP code or along a route in the United States. For more alternative fueling stations, use the [Alternative Fueling Station Locator](#).

The screenshot displays the 'Find Stations' interface. At the top, there are two tabs: 'Find Stations' (active) and 'Plan a Route'. Below the tabs, a search bar contains the text 'california' with a clear button (X) and a green 'Go' button. A dropdown menu shows 'Ethanol (E85)' with a downward arrow. Below the search bar is a link for 'more search options'. The main content area shows '65 ethanol stations in California' and 'Excluding private stations'. A link for 'Download spreadsheet of matching stations' is present. At the bottom, there is a disclaimer: 'Location details are subject to change. We recommend calling the stations to verify location, hours of operation, and access.' and a button for 'ABOUT THE DATA'. On the right, a map of California and Nevada shows 65 yellow diamond markers representing ethanol stations. The map includes zoom controls (+/-) and buttons for 'Embed' and 'Add a Station'. The map is powered by Google CARTODB and includes a copyright notice: 'Map data ©2013 Google, INEGI - Terms of Use'.
